Testing of New Email Mass Mailing System at HQ

Please be informed that HQ and Information Technology Service Unit will commence a test on the new email system by using a new mass mailing software to distribute all memos via HQ office from the period of **8 – 15 December 2010**. The existing email distribution list will be replaced by this new distribution list using the email addresses collected from all major unit / unit commanders (Reference memo number: msg 155/10). HQ and ITSU will cut over the new email mass mailing system on 16 December 2010 should the testing is successfully completed.

In addition, all HQ messages are uploaded to the official web site of HKACC on a daily basis. You are encouraged to check the site http://www.aircadets.org.hk/news_c.html for the most update information.

If you cannot receive any memos from HQ office during this period, please contact ITSU by phone at 2712 8900 or by email via tsa@aircadets.org.hk.

Thank you for your kind attention!
