Clarification to Competition Rules

Further to inquiry and requests from various squadrons, the PMCO committee is pleased to advise the following clarifications/changes to competition rules in view to allow more members to participate in the competition:

1. **Inter-Wing Joint Squadron teams is now acceptable**
(e.g. 1xx & 2xx Joint Squadron team is acceptable)

2. **A team could consists of Officer Trainees (OT) and Cadets. As avoidance of doubt, an OT is NOT considered as a NCO.**
(e.g. 602 and 601 Joint Sqn Team, or 602 and 30x Joint Sqn Team is acceptable)

3. **If a squadron already formed its own team(s), they are not allowed to form another Joint-squadron team(s).**
(e.g. if xxx Sqn already has it own team, it cannot form another xxx & yyy Joint Sqn team)

4. **A squadron could submit more than one (1) team when applying for PMCO entry. Subject to seat availability such “additional” teams will be admitted to the competition. Please mark the priority of each team when submitting the application.**
(e.g. 30x (Team 1), 30x (Team 2) etc.)

5. **All teams (i.e. primary and “additional” team(s)) from a squadron will compete in the PMCO but only the team with highest overall score amongst such teams from the same squadron will be ranked for the overall PMCO Award.**

For example:		
Sqn	Overall Score:	PMCO Award:
XXX Sqn (Team 2)	480/500	Champion
YYY Sqn	460/500	1st Runners Up
XXX Sqn (Team 1)	440/500	N/A
ZZZ Sqn	420/500	2nd Runners Up

In view of the above clarifications, the deadline of application will be postponed to 10 January 2011 (2359Hrs).
