**Briefing on City & Guilds Vocational Qualifications (3rd Cohort)
cum Graduates Experience Sharing Session**

Do you know that your voluntary work at our Corps can be rewarded through vocational qualifications which are equivalent to Masters, Bachelor or Associate Degrees? Can you imagine that you can study at your own pace and your learning schedule would allow you to fit your learning around other commitments? There are not even any exams to worry about. These awards offered by the City & Guilds (C&G) through the Cadet Vocational Qualification Organisation (CVQO) of United Kingdom are the perfect way to continue your personal and professional development and a great way to demonstrate to your employer the value of your hobby and your willingness to invest in your future!
