**HKACC English website – internal launch**

I am pleased to announce after several months of hard working, ITSU are ready to launch the English version of HKACC new web site.

Although the sections about Aviation Education & Flight Operations are still under preparation, we would like to obtain comments from colleagues before we officially launch to the public. Please check out the new website at:

<http://www.aircadets.org.hk/hkacc/web/opening.html>

It would be much appreciated if you could send your valuable comments directly to [ocitsu@gmail.com](mailto:ocitsu@gmail.com) and [tsa@aircadets.org.hk](mailto:tsa@aircadets.org.hk) by 31 January 2011.

Thank you for your kind attention!
