Can you imagine that you can study at your own pace and your learning schedule would allow you to fit your learning around other commitments? These awards offered by the City & Guilds (C&G) and the Institute of Leadership and Management (ILM) through the Cadet Vocational Qualification Organisation (CVQO) of United Kingdom are the perfect way to continue your personal and professional development and a great way to demonstrate to your employer the value of your hobby and your willingness to invest in your future!
