\* The remedial internal interview aims at assisting the less performing applicants before they go through the initial screening by Dragonair. This interview does not aim to label participants but to give adequate training and interview exposure before they face the following stages of selection.

### 2. Initial Screening

Initial screening of the applicants will be jointly conducted by Dragonair and HKACC on 8 / 9 / 11 / 12 January 2014.

It will be beneficial if the applicants have already passed some AAEP subjects and practiced general flying skills on *Microsoft Flight Simulator* (especially on the Airbus A320/A330). An intensive preparatory training course for the finalists will be organized as shown in the schedule above.

### 3. **Final Screening**

Finalists will be invited to report at the Cathay City on 22 / 23 February 2014 for final selection, from whom 12-18 mentees will be appointed.
