## **Suspension of All Corps Face-to-Face Activities and Meetings in response to the Novel Coronavirus**

In view of the recent drastic evolution of the pandemic situation, the Corps announced that all face-to-face activities and meetings will be suspended temporarily until 24 February 2022. Squadrons / units should conduct virtual on-line training and meetings as far as possible. The Corps has acquired a Zoom license for eight users. Officer Commanding Wing, Squadron or Unit may contact HQ for allocation of Zoom access.

In addition, vaccination is a vital step in the fight against the epidemic. The Government has recently announced the “vaccine pass” arrangement, which will be implemented in more premises with effect from 24 February 2022. The Corps recommends all unvaccinated staff and members to get vaccinated as soon as practicable.

Please refer to the Corps’ website for further updates. Stay healthy!
