Dear Sir/Madam,

International Youth Exchange Programme 2016-17

The International Youth Exchange Programme (IYEP) is administered by the Commission on Youth, an advisory body on youth matters under the purview of Home Affairs Bureau. IYEP aims to provide opportunities for youths to broaden their horizons and international perspectives. It also renders them the chances to exchange ideas and experiences with their counterparts in other countries.

Selected candidates will have the opportunity to represent Hong Kong as youth delegates to visit Ireland, Japan, Singapore or other countries, which are deemed appropriate in 2016-17. They will receive the overseas delegates when these youths pay their visit to Hong Kong. If suitable opportunities arise, they may also be nominated to attend large-scale international youth conference held overseas. As a youth delegate represents Hong Kong, he/she should be knowledgeable about Hong Kong, have good knowledge of China, have sound common sense and good academic background, have impressive record of volunteer/community service in the past three years, be proficient in English and be open-minded to different cultures.

The 2016-17 IYEP is about to start. You are invited to nominate suitable candidates for the programme. Your support will be vital to the success of the programme!

Yours faithfully,

(LAU Ming Wai)
