

# HONG KONG AIR CADET CORPS

## Vocational Qualifications Unit

### MEMO

<i>From</i>	OC VQU	<i>To</i>	All OC Units
		<i>CC</i>	DCO Trg and OC Trg Gp
<i>Ref.</i>	VQU/8/2018	<i>Date</i>	21 April 2018

## **Associate of Science in Aviation and Pilot Studies (AScAvPS)**

(理學副學士 (航空及飛行)) –

### **Information Seminar and Admission Interview**

The University of Wollongong (UOW) College Hong Kong / Community College of City University (CCCU) is co-operating with the Hong Kong Air Cadet Corps in offering the two-year **Associate of Science in Aviation and Pilot Studies** programme starting from this coming September 2018. This programme aims to provide students with basic flight training skills in piloting in addition to knowledge and skills in aviation operations. Apart from using flight simulator in class, students may choose to take a programme elective to gain flying experience overseas during the summer. Graduates can continue their study in local aviation-related degree programmes, or pursue the Bachelor of Aviation (Pilot) programme offered by the University of South Australia in Adelaide for another 1.5 years. Holders of the certificate awarded upon completion of the Advanced Aviation Education Programme (AAEP) or BTEC Level 2 Certificate in Aviation Studies will also be eligible to apply for credit transfer in the AScAvPS. The AScAvPS programme leaflet is enclosed.

To provide more programme information, we would like to encourage our members to attend the information seminar and admission interview with details below:
