Online Commercial Pilot Licence Course Sponsorship Programme Extension of Deadline

I refer to my previous memos (10) and (11) in AE/OPC dated 8 September 2022 and 5 April 2023 respectively. There were seven successful applicants for the captioned programme.

2. This memo serves to announce a further extension of the deadline for course completion. All participants will need to complete the course and submit a proof of completion* by 31 August 2023. They will then be reimbursed with the course fee as detailed in memo (7) in AE/OPC.

*Remarks: The proof of completion shall comprise a record of attaining pass results in the final test for two times. There is no limit set on the number of final test attempts.
