**“Proficiency in Map reading, Campcraft and Orienteering” 2016**

**Announcement of Result**

The PMCO Award 2016 has been successfully completed this year, with 20 teams from various Wings competing for the Award.

Participants have shown their creativity, leadership and team spirit through competing in various tasks such as camp craft, camp cook, map reading, Leave No Trace, orienteering, backwoods cooking, and costume design etc. Through the challenges our cadets/officer trainees have gained skills and encounters that simply cannot be realized indoors.

Officers and Parents have visited the event, and their presence is very encouraging to the teams. As the event came to an end, everyone was filled with happiness, laughers and most importantly returned home safely after this two-day intensive annual expedition competition.
