Qualified Aviation Instructor (QAI) Renewal Exercise and Refresher Course

1. Currently registered QAIs are subjected to a three-year qualification validity period. Upon reaching the end of the validity period, QAIs are required to submit their performance and service record to OC AC Flt for renewal review.
2. Expiring QAI qualification holders are also subjected to knowledge and teaching proficiency review, in order to stay updated with constantly evolving aviation education topics.
3. A renewal exercise and refresher course is now offered to QAI who wish to extend their qualification for another three years. Should the demand for renewal exercise and refresher courses arise in the future, AC Flt will launch further courses to accommodate expiring QAI who missed previous opportunities. **QAIs whose qualifications have already expired, or will expire in 2022, are highly encouraged to attend this course in order to renew their ratings.**
