THE VALIANT 2024 – ALLIANCE

Invitation for Assessors

In the previous years, the Corps has sent out cadet representatives to the UK and the US to attend the Air Cadet Leadership Course (ACLC) and Hawk Mountain Ranger School (HMRS). Participants in ACLC will undergo a 7-day leadership training programme designed and organised by the Royal Air Force and Royal Air Force Air Cadets (RAFAC); while HMRS is an outdoor search and rescue programme offered by the Civil Air Patrol (CAP). In order to bring home the knowledge and skills learnt, members who have participated in these courses have established ‘The Valiant’, a camp which provides our cadets with outdoor experience and leadership training adopted from the UK and US outline.

This year, as the eleventh year of the foundation of ‘The Valiant’, members from **Hong Kong Adventure Corps (HKAC)** will jointly organise and participate in the camp. Not only to reunite and reintegrate members from both Corps, also to have the precious opportunity for the organising committee and campers to cooperation with and learn from each other. “The Valiant 2024 – Alliance” provides an opportunity to share and experience the know-how and training setting inspired by ACLC and HMRS with local characteristics will surely be different from normal training camps, and certainly be a “once-in-a-lifetime” experience in one’s cadet career.

To ensure an exceptional learning experience for our campers, we believe it is essential to establish a continuous feedback mechanism. In this regard, we hope that senior members of the Corps will assist by serving as assessors for the campers. Their primary responsibilities will include evaluating the campers’ performance in leadership tasks, offering constructive feedback when appropriate, and sharing their knowledge and experiences with the campers. Details of the camp are as follows:
