THE VALIANT 2025 **Organising Committee Recruitment**

In previous years, the Corps has sent out cadet representatives to the UK and the US to participate in the Air Cadet Leadership Course (ACLC) and Hawk Mountain Ranger School (HMRS). Participants in ACLC undergo a 7-day leadership training programme designed and organized by the Royal Air Force and Royal Air Force Air Cadets (RAFAC); while HMRS is an outdoor search and rescue programme offered by the Civil Air Patrol (CAP). In order to bring home the knowledge and skills learnt, members who have participated in these courses are now organising 'The Valiant 2025', a camp which provides our cadets with outdoor experience and leadership training adopted from the UK and US outline, with a view to gather our cadets.

'The Valiant 2025' combines both ACLC and HMRS characteristics in Hong Kong context; it will be different from normal training camps and is certainly a 'once-in-a-lifetime' experience in one's cadet career.

The Organising Committee cordially invites cadet members to take posts in 'The Valiant 2025'. He/She will assist the Organising Committee in planning and coordinating the pre-camp preparation works, and responsible for implementation and execution of the encampment programme throughout the whole camp period, starting from July 2025.
