10 April 2013

## **Ceremonial Squadron Recruitment**

The Ceremonial Squadron (C Sqn) is a field unit within the Training Group. C Sqn is responsible for dual roles, i.e. operational and ceremonial. As one of the measures in developing drill and ceremonial, the Corps has entrusted C Sqn to provide training to members for 'Drill and Ceremonial' duties. Invitation is now made to all cadet members to join C Sqn, either by way of transfer (primary duty) or attachment (secondary duty).

### **Normal Operational Role**

2. Alike all other field units, C Sqn accommodates cadet members and provides them trainings (e.g. aviation, expedition, moral education) and activities (visit, camping, community service).

### **Ceremonial Role**

3. C Sqn is also a functional unit in the aspect of 'Drill and Ceremonial'. It is responsible for mounting guard of honour and parading the Corps Colour in significant ceremonial events (e.g. annual parade). Apart from guard of honour, C Sqn is also responsible for drill display in public events (National Day flag raising ceremony, carnival organized by government departments, joint uniformed group functions). Continuity drill is the common form of drill display of C Sqn. It features a series of drill movements, in phase with the background music and without any spoken word of command.

### **Cadet Members of C Sqn**

4. Currently, C Sqn consists of cadet members of two types: primary members and attachment members. Primary members are those who serve in C Sqn as their primary duty. They are responsible for all operations of C Sqn. Attachment members are those who serve in other units and volunteer to serve in C Sqn as their secondary duty. Attachment members are normally deployed to take part in the ceremonial role of C Sqn.

### **Recruitment**

5. All members are welcomed to join C Sqn. Interested cadet members could fill in the enclosed application form and send it back to Fg Off Jackie Y P KWONG ([jackie\\_aircadet@yahoo.com.hk](mailto:jackie_aircadet@yahoo.com.hk)) and Sgt Instr ONG Y H Bryan ([csqn.bryan@gmail.com](mailto:csqn.bryan@gmail.com)) by **30 April 2013**. The selection interview is tentatively fixed in May 2013.
