Ganga's
fine indian cuisine

@ Ganga's
Restaurant
Is to Raise the
funding
(\$450,000 hkd)
for the Gliding
flight of the
Hong Kong Air
Cadet Corps
To Buy, Build,
and Ultimately
Fly
their own Motor
Glider

The Hong Kong Air cadets Corp is a uniformed group under the policy aegis of the Home Affairs Bureau. A registered charitable body and a member organization of the Hong Kong Community Chest, we offer quality aviation education programs to prepare young people for possible future service in the local Aviation industry, thereby contributing to the economic well-being of Hong Kong.

SPIRIT OF KAI TAK

We want to expand the experience of the Aviation world to the whole of the youth of Hong Kong, with the view to enhancing the Cadets, Managerial, Engineering and Flying Skills. To increase the development of interest in the Aviation world by creating this project. In the creation of this project we are not only looking at the Flying aspect. The project will consist of setting up a Managerial Team/Committee to run the project. A legislation team, to carry out all the required paper work, legal documents, and applications, according to State Aviation Law, so as to be able to operate the machine.

As this is a Kit build aircraft we will require a team to Engineer the production of the Motor Glider. We will also require an instructional and tutoring team to devise a learning program for lectures and the passing of future Aviation exams both Flying and Engineering. So you can see the potential we have to develop our youth, as to the skills and enthusiasm, to prepare them for an ever expanding industry within Hong Kong, giving the Industry a cor stream of dedicated, and experienced potential, work force.

Fund Raising Event @ Ganga's Restaurant on Wyndham Street, Central, Hong Kong Master of Ceremonies Mr Peter Beilby King from RTHK
