Recruitment of Support Team

In 2011-12, ITSU rebuilt the backbone of our website successfully. We added many new functions like "Search", "Subscription", "Event Calendar", "e-Newsletter", "Smart phone version", etc to the website as well.

In 2012-13, ITSU will work on the following aspects:

1. Content revision for the website
2. Facebook Page development
3. Wikipedia information update and monitor
4. Email distribution system enhancement
5. Electric-forms development
6. Web-based membership database system development

We need a support team who are willing to contribute, to provide professional advice (e.g. programming, SQL, php language, data management, personal data privacy control, internet security, MS-Office, etc.) or daily support like data input, update, testing or monitoring.

If you are interested in joining our team as your "**secondary duty**", please send email to ocitsu@gmail.com with heading "**ITSU Support Team Application**" on or before **31 May**. Officers and Cadet NCOs are welcome to join. First Working Team Meeting will be held in mid June 2012.

Looking forward to your participation.

Best Regards,

Curtis Mak
