Clarification for Commandant's Award 2013

Our previous memo ref. (1) in Trg/CA2013 dated 20 May 2013 from Aviation Education Wing refers. This memo serves to clarify the topic selection issue faced by some applying Squadrons.

有見某些中隊於本年度總監盾的題目揀選方面遇上問題，故特發佈此函作出解釋。總監盾詳情請查閱由航空教育科於 2013 年 5 月 20 日所發佈之便條。

This year Commandant's Award is adopting a different approach from the previous years so as to arouse the interest of participating cadets. Participating teams need to **decide a self-chosen topic** according to point no. 3 in the Rules and Regulations of the Commandant's Award 2013 which was issued together with the aforementioned memo.

The scope provided in the Appendix 2 in the aforementioned memo is only the **suggested range** when deciding topics. Participating teams should **determine a more specific topic** that conforms to the content of their 10-minute presentation.

為提高參賽學員對航空方面的興趣，本年度總監盾採用了跟往年稍為不同的方法。參賽隊伍需要 **自行設定題目** 以作演說之用，詳情請細閱早前所發出的便條中，規則及條例第三點。

便條中附錄二裡的演講題目範圍為建議的演說 **範圍**，只供參考之用，而並非供各隊選擇的演說題目。中隊申請時應 **自行訂立一條較明確具體** 並符合 10 分鐘演說內容的題目。

The following are some examples for the topics.

以下為演說題目例子

Scope	Topics
Principle of Flight	The basic flight instruments
	How an aircraft fly, an example of C172R
	Different types of aircrafts introduction
Airspace	The air space classification and restriction
Radio Telephony and Air Traffic Control	The role of ATC
	Flight communication instruments and systems
Navigation	Aircraft navigation systems
	The development of GPS system
Aviation Meteorology	Dangerous weather for flying
Engines	Different types of engine on aircraft
Aircraft Manufacturers	The introduction of B787
	The introduction of A350
Airports	Airport standard and facilities, an example of Hong Kong International Airport
Technology in Aeronautical Field	The fly by wire system

Air Incident / Accident Investigation	The air crash in 911 and its impact
Others	Environmentally friendly practice carried out by the aviation industry

The above topics are not the official topics and are **for reference only**. Participating teams should draw up the topic according to their own interest and ability.
 以上題目 只作參考，並非大會規定題目，參賽隊伍應按照自己興趣與能力制訂演說題目。

In order to ensure sufficient time for application, the deadline of Commandant's Award 2013 is **extended till 1800hrs, 5 July 2013 (Friday)**. Please refer to the aforementioned memo (attached for easy reference) for the application form and other details.
 為使各參賽隊伍有更足夠時間以遞交申請，本年度總監盾的申請截止日期將延至2013年7月5日(星期五)下午六時正。有關表格及資料請參閱早前所發出的便條(已附上該便條以作參考)。

Thank you for your support and we look forward to seeing you in the Commandant's Award 2013.
 謝謝各中隊的支持。
