Appendix II – Arrangement of training in case of Adverse Weather

Training shown in Appendix I shall be postponed in case any of the below situations occurs:

- a) Tropical Cyclone Warning Signal No. 8 or above is issued within 2 hours before start of training;
- b) Pre-No. 8 Special Announcement (八號風球預警) is made within 2 hours before start of training;
- c) Black rainstorm signal is issued within 2 hours before the start of training.

e.g. On 4 Oct, if Tropical Cyclone Warning Signal No. 8 / Pre-No. 8 Special Announcement / Black Rainstorm Signal is in effect at or after 1730 hours, the training on that day shall be postponed.

In addition, all training shall be stopped in case any of the above situations occurs when the training is already underway.

For any postponement due to adverse weather / other conditions not listed above, notification will be made to all participants prior to the training.
