***Call for Applications for the 5<sup>th</sup> Cohort!***

25 adult members have already obtained their internationally recognised City & Guilds (C&G) vocational qualifications which are equivalent to Masters, Bachelor or Associate Degrees offered by C&G and the Institute of Leadership and Management (ILM) through the Cadet Vocational Qualification Organisation (CVQO) of United Kingdom. Earning these adult awards is the perfect way to continue your personal and professional development and a great way to demonstrate to your employer the value of your voluntary work and your willingness to invest in your future!

Applications are now invited for various Adult Awards! The 5<sup>th</sup> Cohort would also be your last chance to enroll for the current C&G awards since C&G will formally close registrations on the current scheme on 31 August 2013. Details on the new C&G scheme will be announced in 2014.
